I talked with Mr. Connelley at Tacoma and he advised that they took Jack Bailey last night with a friend of his at Portland. They are both friends of Jack and Fred Grisman and Robert Oshlin and are communist men more than anything else; that Bailey has quite a reputation around town and everyone indicated that he was possibly the man connected with the above matter, as he lived about four squares from the Weyerhaeuser family but moved away just before the kidnaping. These individuals have all accounted for their time. Bailey is to be interviewed by the Portland office.

Mr. Connelley stated he has not been able to get a line as to where Rittenhouse can be located; that his brother-in-law is as hard to find as Rittenhouse, but that there is an Agent working on the matter and it was desired that something definite be ascertained as to Rittenhouse's location.

I advised Mr. Connelley that Mr. Nathan was not available and asked him if he had anything on the trial of Laska at Oklahoma City. He stated he thought Mr. Nathan would arrive about 6:45 P. M. today, the arrival of the next plane. Mr. Spears will proceed to Oklahoma City by plane and so will Agents Grimsdell and Lindquist, unless Mr. Nathan has information to the contrary, so that they will arrive on Monday morning. Mr. Spears should be there Saturday. Mr. Connelley said Agent Grimsdell wanted to know if he should proceed to Washington when he is through at Oklahoma City. I told him I would look into the matter.
